

SET YOUR SIGHTS ON SACRAMENTO

California's capital city, Sacramento, certainly has the organisational experience and excellent facilities to deliver a highly successful and memorable 2011 World Masters Athletics Championship event.

Sacramento as a location allows athletes and supporters the opportunity to visit world renowned tourist attractions including Yosemite National Park, San Francisco and the Carmel/Monterey coastline, or even further afield to Los Angeles or continental USA.

Let the team at International Sports Tours focus on your travel arrangements, while you concentrate on your athletic preparation. Our tour packages for the Championships, including post Championship touring options, will be available in the near future. *"Please keep us in your sights!"*

To receive our travel package information for this event, please complete the section below and return this form by post or fax to our office and we will forward details (when available)
