

Competing with Athletics SA in 2022-23

Membership Options

If you are planning to participate in the Athletics SA (ASA) competitions the 2022-23 summer season, then you need to decide which level of membership with ASA you would like to take out. The membership options and prices for 2022-23 are summarised in the table below.

All SAMA members who are financial for the 2022-23 membership year also have the equivalent of Bronze membership of Athletics SA, which is **included in your SAMA registration fee**. For an extra annual fee, individuals may choose to upgrade their ASA membership to Silver or Gold to reduce the cost per day/event when competing in ASA competitions.

If you intend to compete only 1 - 4 times in the ASA competition than you are probably best sticking with the Bronze membership. If you decide to compete more often it may be worthwhile to upgrade to a higher level of membership. If you are a regular competitor with ASA the best option is to upgrade to Gold membership.

An First Year membership is also available for those athletes competing in ASA T&F competition for the first time (only applicable to those that haven't been registered as an athlete member with Athletics SA in the past 5 years).

How to upgrade

Financial members with SAMA as their Primary ASA club, who wish to upgrade their ASA membership from Bronze, should contact the Registrar, David Bates to initiate the upgrade
