

Competing with Athletics SA in 2023-24

Membership Options

If you are planning to participate in the Athletics SA (ASA) competitions the 2023-24 summer season, then you need to decide which level of membership with ASA you would like to take out. The membership options and prices for 2023-24 are summarised in the table below.

All SAMA members who are financial for the 2023-24 membership year also have Basic membership of Athletics SA **included as part of the SAMA registration fee** (the equivalent of Recreational), which allows you to compete in all ASA competitions with payment of applicable entry fees. For an extra annual fee, individuals may choose to upgrade their ASA membership to Gold in order to reduce the cost per day/event when competing in ASA competitions and championships.

If you intend to compete only a few times in the ASA competition than you are probably best sticking with the Basic membership. If you decide to a compete regularly with ASA it is beneficial to upgrade to Gold membership.
