

Competing with Athletics SA in 2024-25

Membership Options

If you are planning to participate in the Athletics SA (ASA) competitions the 2024-25 summer season, then you need to decide which level of membership with ASA you would like to take out. The membership options and prices are summarised in the table below.

All SAMA members who are financial for the 2024-25 membership year also have Basic membership of Athletics SA **included as part of the SAMA registration fee** (the equivalent of Recreational), which allows you to compete in ASA competitions with payment of applicable entry fees. For an extra annual fee, individuals may choose to **upgrade their ASA membership to Gold** in order to reduce the cost per day/event when competing in ASA competitions.

If you intend to compete only a few times in the ASA competition than you are probably best sticking with the Basic membership. If you decide to a compete more regularly with ASA it may be beneficial to upgrade to Gold membership.
